

**Protocol on Sustainable Tourism
to the Framework Convention on the Protection and
Sustainable Development of the Carpathians**

THE PARTIES TO THIS PROTOCOL

IN ACCORDANCE with their tasks, arising from the Framework Convention on the Protection and Sustainable Development of the Carpathians done in Kyiv on 22 May 2003, hereinafter referred to as the "Carpathian Convention", of pursuing a comprehensive policy and cooperating for the protection and sustainable development of the Carpathians;

IN COMPLIANCE with their obligations under Article 9 of the Carpathian Convention;

IN COMPLIANCE with their obligations under the Protocol on Conservation and Sustainable Use of Biological and Landscape Diversity to the Carpathian Convention;

NOTING that all Parties to the Protocol are Parties to the Convention on Biological Diversity (Rio de Janeiro, 1992) hereinafter referred to as the "CBD", and RECALLING the Memorandum of Cooperation between the Convention on Biological Diversity and the Alpine Convention and the Carpathian Convention signed on 29 May 2008 in Bonn, and Decision 11 of the 2nd Conference of the Parties (COP2) to the Carpathian Convention which recommends to make enhanced efforts for the implementation of the CBD Programme of Work on Mountain Biological Diversity;

RECALLING Decision VII/14 of the CBD COP7 which adopted the Guidelines on Biodiversity and Tourism Development and invited Governments to integrate these Guidelines in the development or review of their strategies and plans for tourism development;

NOTING other relevant conventions and agreements, in particular the European Landscape Convention (Florence, 2000), the Convention Concerning the Protection of the World Cultural and Natural Heritage (Paris, 1972), the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991) and the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters (Århus, 1998);

RECOGNIZING the importance of mountain areas, as enshrined in Chapter 13 (Sustainable Mountain Development) of the Declaration on Environment and Development ("Agenda 21", Rio de Janeiro, 1992);

RECALLING the Programme for the further implementation of the Declaration on Environment and Development ("Agenda 21", Rio de Janeiro, 1992), the Plan of Implementation of the World Summit on Sustainable Development, and ACKNOWLEDGING the endeavors and achievements of the Commission on Sustainable Development (CSD) in cooperation with the World Tourism Organization (UNWTO) aiming to promote sustainable tourism;

CONSIDERING that the unique biological and cultural diversity and the common heritage of the Carpathians constitute important assets for the development of sustainable tourism;

RECOGNIZING the increasing importance of tourism for social and economic development at local, national and regional levels, and that the development of sustainable tourism in the Carpathians may constitute an opportunity for the economic development of less developed areas as well as for the diversification of local economies, and present a significant potential for realizing benefits in terms of the conservation of biological diversity and the sustainable use of its components.

RECOGNIZING that the Carpathians constitute the living environment for the local people, and ACKNOWLEDGING the contribution of the local people to sustainable social, cultural and economic development, and to preserving traditional knowledge in the Carpathians;

CONVINCED that efforts to protect, maintain and sustainably manage the natural and cultural resources of the Carpathians cannot be achieved by one country alone and require regional cooperation, and RESOLVED to cooperate on the development of sustainable tourism in the Carpathians with the objective to ensure that tourism in the Carpathians is developed in harmony with environmental considerations and integrates socio-economic benefits with the conservation of biological and cultural diversity;

HAVE AGREED AS FOLLOWS:

CHAPTER I OBJECTIVES, GEOGRAPHICAL SCOPE AND DEFINITIONS

Article 1

General objectives and principles

1. In accordance with Article 9 of the Carpathian Convention the objective of the Protocol on Sustainable Tourism (hereinafter referred to as “the Protocol”) is to enhance and facilitate cooperation of the Parties for the development of sustainable tourism in the Carpathians for the benefit to present and future generations, with the objective to maximize the positive benefits of tourism to biodiversity, ecosystems, and economic and social development, and of biodiversity to tourism, while mitigating negative ecological, environmental and socio-economic impacts from tourism.
2. To achieve the above objectives, the Parties shall:
 - (a) harmonize and coordinate their efforts on promoting sustainable tourism in the Carpathians, providing benefits to the local people, based on the exceptional nature, landscapes and cultural heritage of the Carpathians, and increase cooperation to this effect;
 - (b) pursue policies aiming at promoting transboundary cooperation in order to facilitate sustainable tourism development, such as coordinated or joint management plans for transboundary or bordering protected areas, and other sites of touristic interest.
3. The Parties shall therefore cooperate especially on:
 - (a) promoting the Carpathian region as the destination for sustainable tourism;

- (b) developing, promoting and marketing the Carpathian regional sustainable tourism services, products and packages;

CHAPTER II GENERAL OBLIGATIONS

Article 4

Harmonization of policies aiming at sustainable tourism planning, development and management in the Carpathians

1. Each Party shall develop and implement policies and strategies in its national territory aiming at the development of sustainable tourism and its management and monitoring in the Carpathians while taking into consideration policies and strategies developed and implemented by other Parties.
2. Parties shall consider and utilize internationally applied tools and methodologies for planning, development and management of tourism, especially in vulnerable areas limited to economic use, and to harmonize existing national planning tools and frameworks.
3. Parties shall exchange information between governmental institutions at all levels and all stakeholders, on best practice for sustainable tourism development and management, including information on planning, standards, legislation and enforcement, and of experience gained in implementation of these principles.

Article 5

Integration of the objectives of sustainable tourism in the Carpathians into sectoral policies

1. The Parties shall take into consideration the objectives of this Protocol in their other policies, in particular but not limited to spatial planning and land resources management, conservation of biological and landscape diversity, water and river basin management, agriculture and forestry, transport and infrastructure, industry and energy.

2. The Parties shall cooperate on integrating the principles of sustainable tourism into other sectoral policies developed at regional or global level which could benefit and have influence on the conservation and sustainable use of biological and landscape diversity in the Carpathians.

Article 6

Participation of regional and local authorities, and other stakeholders

1. Each Party shall take measures, within its existing institutional framework, to involve relevant institutions, regional and local authorities, and other stakeholders concerned in preparing and implementing policies and the resulting measures for the development of sustainable tourism in the Carpathians.
2. Each Party shall take measures, within its existing institutional framework, to facilitate coordination and cooperation between institutions, authorities and other stakeholders mentioned under paragraph 1, with the objective to encourage shared responsibility and enhance synergies.

Article 7

International cooperation

1. The Parties shall encourage active cooperation among competent institutions and organizations at the international level with regard to sustainable tourism development in the Carpathians.
2. The Parties shall facilitate the cooperation on sustainable tourism development in the Carpathians between regional and local authorities at the international level, and seek solutions to shared problems at the most suitable level.

CHAPTER III SPECIFIC MEASURES

Article 8

Promotion of the Carpathian region as the destination for sustainable tourism

1. Each Party shall take measures with the objective to promote the Carpathian region as the destination for sustainable tourism based on the unique common natural, cultural, traditional and historical heritage of the Carpathians.
2. The Parties shall cooperate on marketing and promoting the Carpathian region as the destination for sustainable tourism in particular by encouraging, jointly implementing and supporting common projects and initiatives towards sustainable tourism development in the Carpathians which build on and promote the above mentioned values.

Article 9

Development, promotion and marketing the Carpathian regional sustainable tourism products, services and packages

1. Each Party shall take measures in its national territory with the objective to develop and promote Carpathian regional sustainable tourism products, services and packages, in particular those building on the common Carpathian natural, cultural, traditional and

- historical heritage of the Carpathians, and enhance their marketing on both the domestic and foreign markets.
2. The Parties shall cooperate on the identification of the specific Carpathian competitive advantages for sustainable tourism development over the other European mountain regions, which could provide for the unique selling proposition of the Carpathian regional sustainable tourism products, services and packages in the European and global tourist markets.
 3. The Parties shall cooperate on the development of the common Carpathian regional sustainable tourism services, products and packages, and facilitate cooperation of relevant stakeholders active in the Carpathian region in this respect, including tourism operators and other members of the tourism sector.
 4. The Parties shall cooperate on the development and implementation of the common Carpathian regional tourist brands.
 5. The Parties shall cooperate on the development and implementation of joint promotional strategies and marketing schemes for the common Carpathian regional sustainable tourism products, services and packages.

Article 10

Ensuring the common high quality standards of sustainable tourism in the Carpathians

1. Each Party shall take measures in its national territory with the objective to promote the quality standards for sustainable tourism in the Carpathians.
2. The Parties shall cooperate on developing, promoting and implementing the common Carpathian tourism quality standards concerning accommodation, facilities, services and customer care, considering international and European standards.
3. The Parties shall cooperate on developing, promoting and implementing the common Carpathian tourism quality certification system in considering international and regional quality labels and award schemes or adopting existing certification schemes as appropriate.
4. The Parties shall cooperate on developing, adopting and implementing the common Carpathian policy of permanent and systematic research on the quality of tourism products and services across the whole Carpathian region, monitoring the quality of visitor satisfaction and experience gained at tourist destinations, including raising their awareness on sustainability issues and increasing knowledge of and respect for natural and cultural heritage of the Carpathians.
5. The Parties shall encourage and support the exchange of experiences and good practice examples in introducing and maintaining quality standards in tourist services.
6. The Parties shall encourage and support the development and implementation of joint action plans pursuing qualitative improvements in sustainable tourism services sector in the Carpathians.

Article 11
***Enhancing the contribution of tourism to the sustainable development
of the local economy in the Carpathians***

1. Each Party shall take measures in its national territory with the objective to explore, promote and support the synergies between sustainable tourism development and local economic development in the Carpathians.
2. The Parties shall cooperate on developing, adopting and implementing the common Carpathian policy for the promotion, labeling and certification of local products and local producers' networks, in particular of traditional arts and handicrafts, and local goods including agricultural products utilizing local breeds of domestic animals and cultivated plant varieties.
3. Each Party shall take measures in its national territory with the objective to support and promote initiatives and projects towards sustainable tourism development in the Carpathians which foster the development of local economy and base on the local potential by enhancing the use of local products and skills as well as employment opportunities for the local labour force. Priority should be given to initiatives and projects which:
 - (a) contribute to ensuring long-term sustainability of tourism economic operations;
 - (b) strengthen the existing unique selling proposition of a particular tourism destination;
 - (c) promote innovation and diversity in tourism, and bring the added value to the current local tourist offer of a particular tourist destination, also by creating new local and regional tourist products;
 - (d) contribute to the diversification of tourism offers with the objective to reduce the adverse effects of the tourism seasonality by generating sufficient demand for tourist services and local employment also in the off-seasons;
 - (e) contribute to the diversification of the local economic activities beyond tourism with the objective to reduce dependency of the local economy on tourism as appropriate;
 - (f) enrich and supplement the current local tourism offers of a particular tourism destination rather than compete with already existing businesses.
4. Each Party shall take measures with the objective to promote and support the development of sustainable tourism in less sensitive and less developed areas, with the objective to foster the sustainable economic development of less developed local people, mitigate negative migration and rural depopulation trends, contribute to poverty alleviation and allow for more equal sharing of benefits and revenues from the tourist services sector by all municipalities of the Carpathian region.
5. Each Party shall take measures in its national territory with the objective to build the capacities of local people towards the preparation of sustainable tourism development project proposals and their ability to raise funds for their implementation.

Article 12
***Managing tourist traffic in the Carpathians
for the benefit of the environment and sustainable local economic development***

1. The Parties, in accordance with Article 12 of the Carpathian Convention, shall cooperate on developing, adopting and implementing the common Carpathian policy of permanent and systematic monitoring of tourist traffic in the Carpathian region.

2. With the objective to mitigate the impacts of tourism on fragile mountain ecosystems of the Carpathians and to provide for a more equal distribution of the tourist traffic in the Carpathian region, each Party shall take measures in its national territory with the objective to disperse, redirect and channel part of the tourist traffic out of the current main tourist destinations and sensitive sites such as protected areas, to the areas being less ecologically sensitive, less developed and less explored by tourism, but having sufficient potential to absorb and accommodate part of the tourist traffic.

Article 13

Enhancing the contribution of tourism to the conservation and sustainable use of biological and landscape diversity of the Carpathians

1. Each Party shall take measures in its national territory with the objective to explore channeling part of the tourism revenues towards supporting the conservation and sustainable use of biological and landscape diversity of the Carpathians, in particular towards the establishment, management and maintenance of protected areas.
2. The Parties shall cooperate on the exchange of information and promotion of good practice examples concerning the contribution of and benefits from sustainable tourism development to the conservation and sustainable use of biological and landscape diversity of the Carpathians.

Article 14

Enhancing the contribution of tourism to sustainable agriculture in the Carpathians

1. Each Party shall take measures in its national territory with the objective to explore, promote and support the synergies between sustainable tourism development and sustainable agriculture in the Carpathians, and facilitate cooperation in this respect between relevant authorities, institutions, and relevant stakeholders including tourism operators and other members of the tourism sector.
2. Each Party, in accordance with Article 7 and Article 11 of the Carpathian Convention, shall take measures in its national territory with the objective to support and promote initiatives and projects towards sustainable tourism development in the Carpathians which provide sound economic incentives for the maintenance of the management of agricultural land traditionally cultivated in the Carpathians in a sustainable manner and for producing, labeling and certification of local goods utilising the local agricultural products, local breeds of domestic animals and cultivated plant varieties.
3. The Parties shall cooperate on the exchange of information and promotion of good practice examples concerning the contribution of and benefits from sustainable tourism development to the sustainable agriculture in the Carpathians.

Article 15

Enhancing the contribution of tourism to sustainable forest management in the Carpathians

1. Each Party, taking into account the multiple functions of forests, shall take measures in its national territory with the objective to explore, promote and support the synergies between sustainable tourism development and sustainable forest management in the Carpathians, and facilitate cooperation in this respect between relevant authorities, institutions, forest

administrations and relevant stakeholders including tourism operators and other members of the tourism sector.

2. The Parties shall cooperate on the exchange of information and promotion of good practice examples concerning the contribution of and benefits from sustainable tourism development to the sustainable forest management in the Carpathians.

Article 16

Planning the sustainable development of tourist transport and infrastructure in the Carpathians

1. Each Party, in accordance with Article 8 paragraph 1 of the Carpathian Convention as well as Article 5, Article 8, Article 9 and Article 12 of the Biodiversity Protocol, shall pursue policies of sustainable tourism transport planning in the Carpathians, which take into account the specificities of the mountain environment.
2. The Parties, in accordance with Article 8 paragraph 2 of the Carpathian Convention, shall cooperate towards developing sustainable transport schemes in their border areas in the Carpathians with the objective to provide the benefits of mobility and access to the local inhabitants and tourists, facilitate sustainable tourism development in border areas and enhance interactions and cooperation between the local people inhabiting the border areas.
3. The Parties, in accordance with Article 8 paragraph 3 of the Carpathian Convention, shall cooperate towards developing models of environmentally friendly tourist transportation in environmentally sensitive areas of the Carpathians.
4. Each Party shall take measures in its national territory with the objective to promote and support sustainable transport network development projects improving the access to tourist destinations and resorts in the Carpathians by public transport, and shall encourage tourists to use these services.
5. Each Party shall take measures in its national territory with the objective to reduce dependence on motorized vehicles in and in the vicinity of tourist destinations and resorts in the Carpathians.
6. Each Party shall take measures in its national territory with the objective to promote revitalisation and upgrading of existing tourist, recreational and sport infrastructure objects rather than the construction of new ones in the Carpathians.
7. The Parties shall cooperate on the exchange of information and promotion of good practice examples concerning the sustainable development of tourist transport and infrastructure in the Carpathians.

Article 17

Enhancing the contribution of tourism to the preservation and promotion of the cultural heritage and of traditional knowledge of the local people in the Carpathians

1. The Parties, in accordance with Article 11 of the Carpathian Convention, shall cooperate on developing, adopting and implementing the common principles of sustainable tourism development in the Carpathians, fostering preservation and promotion of the cultural heritage and traditional knowledge of the local people, enhancing and respecting their socio-cultural authenticity in the Carpathians, and conserving their built and living cultural heritage and traditional values.

2. Each Party shall take measures with the objective to promote and support the development of sustainable tourism activities fostering preservation and promotion of the cultural heritage and traditional knowledge of the local people in the Carpathians, in particular initiatives and projects towards sustainable tourism development in the Carpathians which provide sound economic incentives for the preservation of the traditional architecture objects, local breeds of domestic animals and cultivated plant varieties, as well as the continuation of traditional land-use patterns and practices, crafting and marketing of local goods, arts and handicrafts.
3. Each Party shall take measures in its national territory with the objective to encourage channeling part of the tourism revenues towards supporting the preservation and promotion of the cultural heritage and traditional knowledge of the local people in the Carpathians, in particular for the preservation and revitalization of traditional architecture objects, traditional handicraft, land-use patterns, local breeds of domestic animals and cultivated plant varieties.

Article 18

Enhancing the contribution of tourism to public education and awareness on sustainability issues

1. Each Party shall take measures with the objective to promote and support initiatives and projects aiming at raising awareness on sustainability issues related to sustainable tourism development in the Carpathians.
2. The Parties shall cooperate on developing the common Carpathian environmental education, nature and cultural heritage interpretation and other awareness raising programmes, associated to sustainable tourism development in the Carpathians, with the objectives to:
 - (a) raise the awareness of the local people, tour operators and tourist service providers, tourists and general public on sustainability issues in the Carpathians;
 - (b) increase knowledge of and respect for natural ecosystems and biological resources of the Carpathians;
 - (c) raise the profile of biological and landscape diversity conservation at national and local levels;
 - (d) increase knowledge of and respect for the cultural heritage and the traditional knowledge of the local people in the Carpathians,
 - (e) promote sustainable tourism practices and appropriate behavior by tourists so as to minimize their adverse impacts, e.g. by developing the common “Carpathian code of good practice in sustainable tourism”;
 - (f) promote positive effects of sustainable tourism development in the Carpathians.

Article 19

Information and experience exchange, capacity building for development and management of sustainable tourism in the Carpathians

1. The Parties shall cooperate on the exchange of information and experience, and promotion of good practice examples concerning the development and management of sustainable tourism in the Carpathians.

2. The Parties shall facilitate international cooperation among scientific institutions with regard to sustainable tourism development and management in the Carpathians, in particular on the harmonization of monitoring systems, the provision and harmonization of databases, and undertaking common research programs and projects in the Carpathians.
3. The Parties shall ensure that the national results of the research and monitoring which are conducive to achieving the objectives of this Protocol are included in a common permanent observation and information system, and that they are made accessible to the public under the existing institutional framework.
4. The Parties shall facilitate the transfer and assimilation of environmentally-sound, socially acceptable and appropriate technologies and know-how for the planning, development and management of sustainable tourism in the Carpathians.
5. The Parties shall cooperate on developing common education and training schemes in areas related to the development and management of sustainable tourism in the Carpathians, and encourage and support the development of expert networks for the exchange of related expertise, skills and information.
6. The Parties shall cooperate on the development and strengthening of human resources and institutional capacities perceived as conducive to achieving the objectives of this Protocol.

Article 20

Promoting transboundary cooperation on sustainable tourism development in the Carpathians

1. The Parties, in accordance with Article 9 paragraph 2 of the Carpathian Convention, shall pursue policies aiming at promoting transboundary cooperation in order to facilitate sustainable tourism development in the border areas of the Carpathians.
2. Each Party shall develop and implement management plans with the objective to enhance sustainable tourism development in the border areas of the Carpathians.
3. The Parties, in accordance with Article 9 paragraph 2 of the Carpathian Convention, shall take measures with the objective to coordinate management planning related to sustainable tourism development or develop joint management plans for its border areas in the Carpathians with the neighboring Party or Parties, in particular for transboundary or bordering protected areas, and other sites of touristic interest.

Article 21

Managing impacts of tourism on the biological and landscape diversity of the Carpathians

1. The Parties shall apply the precaution and prevention principles by assessing and taking into consideration possible direct or indirect, short- or long-term influence, including cumulative effects of tourism, recreational and sport infrastructure development projects, as well as tourist, recreational and sport activities, which are likely to have adverse impacts on the biological and landscape diversity of the Carpathians. In this regard, Parties shall proceed with appropriate assessment of potential adverse impact of projects, plans and activities related to tourism development in the Carpathians, including transboundary impacts.
2. The Parties, in accordance with Article 12 of the Carpathian Convention, shall cooperate on developing, adopting and implementing the common Carpathian policy of permanent and systematic monitoring of impacts of both existing and planned tourism developments on the

biological and landscape diversity of the Carpathians, to be applied at regional, national and local levels; in particular concerning:

- (a) conservation, maintenance, restoration and sustainable use of endangered natural and semi-natural habitats native to the Carpathians included in the Carpathian Red List of Habitats, pursuant to Article 8 paragraph 1 of the Biodiversity Protocol;
 - (b) integrity, continuity, connectivity and maintenance of protected areas and other areas significant for biological and landscape diversity of the Carpathians and for the coherence of the ecological network in the Carpathians, pursuant to Article 9 of the Biodiversity Protocol;
 - (c) conservation of endangered flora and fauna species native to the Carpathians included in the Carpathian Red List of Species, pursuant to Article 12 paragraph 1 of the Biodiversity Protocol;
 - (d) prevention of introduction or release of invasive alien species and/or genetically modified organisms which are likely to have adverse environmental impacts that could affect the biological diversity, ecosystems, habitats or species of the Carpathians, pursuant to Article 13 paragraph 1 of the Biodiversity Protocol.
3. Each Party shall establish conditions and criteria, including relevant remedial and compensatory measures, under which policies, projects and activities related to tourism development with potential harmful impacts on the biological and landscape diversity of the Carpathians may be authorized.
 4. Each Party shall take measures in its national territory with the objective to prevent, mitigate and if necessary compensate possible adverse impacts of tourism on the biological and landscape diversity of the Carpathians.

Article 22

Managing environmental impacts of tourism in the Carpathians

1. The Parties shall apply the precaution and prevention principles by assessing and taking into consideration possible direct or indirect, short- or long-term influence, including cumulative effect of tourism, recreational and sport infrastructure development projects, as well as tourist, recreational and sport activities, which are likely to have adverse impacts on the environment of the Carpathians. In this regard, Parties shall proceed with appropriate assessment of potential adverse impact of projects, plans and activities related to tourism development in the Carpathians, including transboundary impacts.
2. The Parties, in accordance with Article 12 of the Carpathian Convention, shall cooperate on developing, adopting and implementing the common Carpathian policy of permanent and systematic monitoring of environmental impacts of both existing and planned new tourism developments in the Carpathians, to be applied at regional, national and local levels; in particular concerning the use of natural resources such as land, soil, water, forests, energy; as well as sewage, waste and air pollution management issues.
3. Each Party shall establish conditions and criteria, including relevant remedial and compensatory measures, under which policies, projects and activities related to tourism development with potential harmful impacts on the environment of the Carpathians may be authorized.

4. Each Party shall take measures in its national territory with the objective to prevent, mitigate and if necessary compensate possible adverse environmental impacts of tourism in the Carpathians.

Article 23

Managing socio-economic and cultural impacts of tourism in the Carpathians

1. The Parties shall apply the precaution and prevention principles by assessing and taking into consideration possible direct or indirect, short- or long-term influence, including cumulative effect of the tourist, recreational and sport infrastructure development projects, as well as tourist, recreational and sport activities, which are likely to have adverse socio-economic and cultural impacts in the Carpathians. In this regard, Parties shall proceed with appropriate assessment of potential adverse impact of projects, plans and activities related to tourism development in the Carpathians, including transboundary impacts.
2. The Parties, in accordance with Article 12 of the Carpathian Convention, shall cooperate on developing, adopting and implementing the common Carpathian policy of permanent and systematic monitoring and assessment of the socio-economic and cultural impacts of tourism in the Carpathians, to be applied at regional, national and local levels.
3. Each Party shall take measures in its national territory with the objective to prevent, mitigate and if necessary compensate possible adverse socio-economic and cultural impacts of tourism in the Carpathians.

Article 24

Monitoring the effectiveness of policies and strategies for the development of sustainable tourism in the Carpathians

1. Each Party shall monitor the effectiveness of policies and strategies towards the development of sustainable tourism in the Carpathians implemented at the national, regional and local levels.
2. The Parties, in accordance with Article 12 of the Carpathian Convention, shall cooperate in developing, adopting and implementing the common Carpathian policy of permanent and systematic monitoring; to be applied at regional, national and local levels; of the effects of policies and strategies implemented towards the development of sustainable tourism in the Carpathians, by defining and applying the commonly agreed set of indicators, in particular taking into account, assessing and measuring:
 - (a) the contribution of policies and strategies towards the development of sustainable tourism in the Carpathians to the conservation and sustainable use of biological and landscape diversity of the Carpathians, in accordance with Article 4 of the Carpathian Convention and with the Biodiversity Protocol;
 - (b) the contribution of policies and strategies towards the development of sustainable tourism in the Carpathians to the protection and sustainable use of water resources of the Carpathians, in accordance with Article 6 of the Carpathian Convention;
 - (c) the contribution of policies and strategies towards the development of sustainable tourism in the Carpathians to the sustainable agriculture, in particular the maintenance of the management of agricultural land traditionally cultivated in the Carpathians in a sustainable manner, in accordance with Article 7 of the Carpathian Convention;

- (d) the contribution of policies and strategies towards the development of sustainable tourism in the Carpathians to the sustainable forest management in the Carpathians, in accordance with Article 7 of the Carpathian Convention;
- (e) the contribution of policies and strategies towards the development of sustainable tourism in the Carpathians to the development of sustainable transport and infrastructure, in accordance with Article 8 of the Carpathian Convention;
- (f) the contribution of policies and strategies towards the development of sustainable tourism in the Carpathians to the preservation and promotion of the cultural heritage and of traditional knowledge of the local people in the Carpathians, in accordance with Article 11 of the Carpathian Convention;
- (g) the effectiveness of policies and strategies towards the development of sustainable tourism in the Carpathians in enhancing environmental impact management in the Carpathians;
- (h) the effectiveness of policies and strategies towards the development of sustainable tourism in the Carpathians in enhancing social and cultural impact management in the Carpathians;
